Partners in Ministry

This Ministry Opportunity Survey is our vital link to the Love INC Clearinghouse. This information will identify individuals, families, and groups within our church who are willing to use their gifts and talents to help our neighbors in need in our community.

The Mission of Love In the Name of Christ:

To enhance local Christian churches' efforts to mobilize their members for ministry to the needy by partnering with them to provide opportunities for service.

To foster unity in the Body of Christ by providing Christians from diverse denominational and ethnic backgrounds with opportunities to serve, pray and worship Jesus Christ, our Lord and Savior together.

Be a part of the mission. Fill out and return your Ministry Opportunity Survey today!

Please check the areas in which you are willing to serve. If you have any questions, put a question mark by the area and our Church Ministry Coordinator will be in touch with you. If you are for any reason, unable to help when you are called, you can feel free to decline that particular request.
